Review: I had to read this book for a class the Southern Baptist Theological Seminary. I had never heard for George Müller before. I am so thankful for this book now that I have finished it. It is written in a very clear and engaging manner. The author has done a great job in "writing in the background". Meaning I never really noticed the author, it all flowed...

Description: George Müllers life is a powerful answer to modern scepticism. His name has become a by-word for faith throughout the world. In the early 1830s he embarked upon an extraordinary adventure. Disturbed by the faithlessness of the Church in general, he longed to have something to point to as visible proof that our God and Father is the same faithful creator...
